To Whom it may Concern,

We are pleased to provide this reference for C+A Rendering and Plastering Ltd, who worked with us during the period of their engagement on our projects.

Throughout their time working with us, C+A Rendering and Plastering Ltd consistently delivered a high standard of workmanship and provided a reliable and professional service. Their team demonstrated strong attention to detail, worked well within agreed programmes, and maintained good communication at all times.

Health and safety standards were adhered to, and their operatives conducted themselves in a professional and cooperative manner while working alongside other trades. Any issues that arose were addressed promptly and effectively.

Based on our experience, we would have no hesitation in recommending C+A Rendering and Plastering Ltd and would be happy to work with them again in the future.

Yours faithfully,

Joseph Jackson

Heath, Safety and Environment Manager
